The Musicfest idea was born 2 years ago in a motel bar at Wiminfest in Albuquerque. Carolyn Cathey, Julia McKay, Nikki Spears, and Ginger Boston were sipping Coronas and dreaming of a time when there would be a space for Colorado Springs GLBT Community to hear the music of home grown artists.

Our dreams came true with a lot of hard work and dedication from many volunteers.

We hope to continue this dream next year with even more artists, making it truly the first GLBT Musicfest in history. Our aim is to unite the GLBT Community in song and laughter.

See you next year!!

In Memory of Kelvin McNeill

We dedicate Pridefest '98 to the memory of our friend and leader.
Kelvin came to Colorado Springs in 1997, working for equality, justice and tolerance in our community through the GILL FOUNDATION. His efforts and energy will long be remembered by the Pikes Peak Gay and Lesbian Community Center and his legacy will live on in our town.

Artists

Nancy Norton

Starting out in the Honolulu Improv Theatre, she has climbed her way to the top, appearing on television (A & E's Evening at the Improv) film and theatre. She has performed on stage nationally and internationally.

Unfocused Family

This family puts the "FUN BACK INTO DYSFUNCTIONAL!" Meet Mark Raab (of Eggamuffin fame), Cheryl Raab (formerly with Madame Butterfly), Carolyn Cathey (seen at all the right places) and Leslie Sniff (making her debut). Lots of kicks with this foursome!

Geoff Adair

Geoffrey's talents extend from singing and playing to dancing and dressing with dramatic flair. Adair has played and toured with several bands, fine tuning his talents and learning a wide variety of musical styles. Adair is the music director at the Pikes Peak Church of Religious Science.

Julia McKay

Julia has been composing her original solo piano compositions for the last two years. She performs in a variety of venues from intimate settings like art openings and house concerts to large outdoor art and music festivals. Her show is a heartfelt and enriching journey for all who listen. Also, she is the Executive Director of C-CAD/Inside Out Youth Services and co-chair of MusicFest 98.

Lynn Patrick

Lynn has gotten rave reviews for her unique style of guitar playing. She has opened for Dan Fogelberg, Karla Bonoff, played the Lyons Folk Festival and has two CD's. Her newest release, Winnie's Guitar, is available at various record store outlets.

Nikki Spears

Nikki released her first CD "Follow Your Heart" in June 1998 with rave reviews from local music critics. She is getting air play on local stations and has a large loyal fan base.

Buddy Love

Buddy Love has an undeniably original sound. With an Incredible rhythm section, their music is distinctively upbeat and funk oriented. Their vocals are hard hitting and intense, and always melodic. On stage is where the band truly shines with one of the most high energy live performances around! Buddy Love can always be counted on to deliver a crowd rousing show!

"To create a sense of community and to promote acceptance and understanding among lesbians, gay men, bisexual, and transgendered people, and the community-at-large."

The Pikes Peak Gay and Lesbian Community Center was incorporated as a non-profit 501(c3) organization in 1982, making it one of the oldest gay organizations in Colorado Springs.

The following is a list of the current major projects of the Pikes Peak Gay and Lesbian Community Center. The PPGLCC board is always looking for volunteers to join them in providing ways to the serve the Gay, Lesbian, Bi-Sexual and Transgendered community in the Pikes Peak Region. Helpline 719-471-4429 (4GAY)

The Helpline is presently a voice messaging system that includes the use of pagers carried by volunteers. PPGLCC's Helpline is not a crisis line. However, we may be able to direct a caller to an agency that might be better suited to the caller's needs. Callers, typically, ask for general information concerning bars, other organizations and what activities or events are happening now or in the near future. Some callers ask for information concerning doctors, lawyers, therapists, restaurants and real estate agents. People can also call the Helpline to provide information to the community.

Community Vision Newsletter

The Community Center's newsletter is published once a month. Presently, the newsletter is free to anyone wishing to receive it. If interested, just fill out the application or email us your name and address at: **ppglcc2@aol.com**. The Center's mailing list is never given or sold to any person or organization outside of the Center's scope.

Adopt-a-Highway Program

PPGLCC has been a part of the state's Adopt-a-Highway Program since January of 1993. Individuals get together on the second Saturday morning of each month to clean up a stretch of Highway 24.

"This Way Out" Sponsorship

The Pikes Peak Gay & Lesbian Community Center sponsors the radio show "This Way Out" for the Pikes Peak region. Listen in on KRCC 91.5 FM every Wednesday evening at 6:30.
